Religious Education – Come & See:

Know and understand:

- Local Church Community AT1
- Mission Eucharist Relating AT1
- Memorial Sacrifice Lent/Easter Giving

Important Information:

Homework will be given out on a Friday (remotely) and should be completed by the following Thursday. This will consist of, timetables and relevant activities (linking to what we have been learning). Maths will be set on MyMaths.com. Please message on Class Dojo if you're child has forgotten their username and password. Please encourage your child to read at home as this is important to their overall progress.

HOMEWORK

ST. GERARD'S
CATHOLIC
PRIMARY AND
NURSERY SCHOOL

Year 6 Curriculum Information Spring Term 2026

"Our school is a place of learning within a loving and Christian community. We achieve this through our mission statement: "Guided by God, St Gerard's is an inspiring and aspirational community where we learn to love, hope, dream and achieve. All staff, children, governors and parents contribute to school life and share in its growth and well-being."

Miss Rodgers (Class Teacher)

Over the next term, we will be focusing on 'Rebuilding Britain' in our History lessons and 'Extreme Earth' for our geography focus.

Mathematics:

This term we will be focussing on:

- Ratio, algebra and decimals
- Fractions, decimals and percentages - multiply proper fractions and mixed numbers by whole numbers, supported by materials and diagrams.
- Area, perimeter and volume

English:

- Daily literacy lesson (Y6 national curriculum objectives)

Our first text will be Shackleton's Journey

- Recount

Our second text will be The Day the War Came

- Letter

Pupils will be taught to:

Plan their writing, Draft and write, Develop vocabulary
Evaluate and edit

Physical Education:

This term the children will be focussing on invasion games, orienteering and tennis. The children will also take part in Active Maths through P.E.

Science:

During our weekly lessons, there will be lots of opportunities for practical investigations to develop our scientific knowledge. This term, we will be focusing on looking at the topics: Evolution and Inheritance and living things and their Habitats.

Geography:

Our topic will be Extreme Earth Explore

We will focus on the Earth's extreme climates by investigating what climates there are on our planet and finding out about the hottest, wettest, coldest and driest places on Earth.

History:

Our topic this term Rebuilding Britain.

- We will focus on Chronology, Historical Enquiry, Cause & consequence & Societal Change and Culture,

Music:

The children will be analysing and comparing sounds during this term. They will be encouraged to explore their own feelings and ideas about music, dance and musical vocabulary.
