Week beginning
14th September

THIS WEEK IN RECEPTION

Another Fantastic Week in Reception! ☀

What a busy and exciting week we have had in Reception! This week we enjoyed our very first Forest School session. We began by learning the important rules that help to keep us safe before having lots of fun exploring our new outdoor environment. The children showed fantastic curiosity and enthusiasm as they investigated their surroundings, and we cannot wait for many more Forest School adventures together! 🌳

We also celebrated International Dot Day, reminding ourselves that everyone can be creative and that even the smallest mark can be the beginning of something amazing. The children loved using their imaginations to create their own wonderful dot-inspired artwork. 🎨 ●●●●

There was another Reception milestone this week as we had our first school photographs taken! 📷 The children looked incredibly smart and did a brilliant job showing off their best smiles for the camera!

🌻 Reception Scarecrow Competition! 🌻

We are very excited to announce our Reception Scarecrow Making Competition! We would love the children to get creative at home and make their very own scarecrow with their families. Your scarecrow can be big or small, traditional or completely imaginative – the more creative, the better!

Please bring your finished scarecrow into school by Friday 16th October so that we can display our fantastic creations and choose some winners. 🏆

We cannot wait to see what you create – happy scarecrow making! 🌻 🧡

IDEA FOR THE WEEKEND

This weekend, we would love you to become a Sound Detective! 🕵

Choose one of the sounds we have been learning at school and see how many things you can find that begin with that sound.

👁 Can you find 3 things?

You could draw a picture, take a photograph or make a little collection to show us on Monday.

IMPORTANT DATES

- WB 21st September - Book fair
- 25th September - Macmillan Coffee morning.
- 9th October - Reception Parents in to celebrate Harvest Festival
- 16th October Scarecrow entries in
