

Our Mission Statement

With God's love we are a
Family; caring, learning and
growing together.

Mission Aims

Education:

Rooted in God's love, we nurture each child to learn with courage, grow in faith, flourish in character and celebrate their unique strengths within our school family.

Christ:

Rooted in faith, we guide every child to grow in wisdom, confidence and compassion- secure in God's love and nurtured by His grace.

Community:

We strive to nurture a compassionate school community where every individual feels a deep sense of belonging- supported like a family and empowered to show kindness, respect and care for one another.
