

St John Fisher Catholic Primary School

"Growing through God, we learn, laugh and love"

Newsletter 9th January 2026

Welcome back, we hope you all enjoyed the break .

We want to wish our children and families a
happy and blessed 2026.

As we head into 2026 there are lots of exciting school events
and trips to look forward to.

2026 will be an educational and fun filled
learning experience for our children.

Judaism

This week we have been learning about Judaism. We had a great week looking at the artefacts and the children have been learning about other faiths to deepen their understanding, respect, and compassion for others and to value the diversity of God's world.

****NEW - Attendance Monitoring System****

Attendance Matters – Every Day Counts!

Regular school attendance is essential for children's **learning, wellbeing, and safeguarding**. Even small amounts of absence can add up and affect progress.

To support families and meet DfE expectations, we are introducing an updated **attendance monitoring system**. Parents will receive notifications via the **School Spider app** when attendance reaches key levels:

Attendance Notifications

- **Below 96%** (school target) Parents notified and attendance monitored.
- **93% and below** (approaching persistent absence) Initial notification sent; attendance monitored weekly with fortnightly updates if needed.
- **90% and below** (persistent absence) Initial notification sent; attendance monitored daily with weekly progress updates.

Working Together

These notifications help us work with families **early** to address any barriers to attendance and support every child's success.

Please check the **School Spider app regularly**. If you need support with attendance, contact the school — we are here to help.

MOMENTS
MATTER,
ATTENDANCE
COUNTS.

Every day in school counts...

and every minute counts...

HOW TO CONTACT US

We have an open door policy at our school and you can talk to anyone about any issues you have but we want to ensure that you speak to the right person to resolve the issues at first contact.

For issues relating to your child's learning or welfare please contact your class teacher first. Face to Face at the end of the day is best but we understand that this isn't always possible or that you may have issues that you don't want to discuss in front of the children or other parents.

You can email them with your concerns or ask them to call you or arrange a convenient time to come in.

CLASS	TEACHER	EMAIL

ALLERGIES

Our kitchen is nut free—we would ask that you do not send products containing nuts in to school in lunch boxes or snacks. Thank you for the support with this as it will limit the risk for our children with nut allergies.

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street. We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.
