World Book Day 2026

World Book Day was a fantastic celebration across the school, and it was wonderful to see the children so excited about books and stories. From costumes and shared reading to book-themed activities throughout the day, there was a real buzz about reading in every classroom.

Days like this are about more than dressing up – they are about **promoting a lifelong love of reading**. Research consistently shows that children who read for pleasure are more likely to achieve well in school and beyond. Most importantly, reading opens doors to imagination, knowledge and empathy.

Thank you to families for supporting the day and helping us celebrate the joy of books. We hope the excitement continues at home as children keep discovering new stories and authors they love.
