What a fantastic year it's been for the girls!

From start to finish they've been incredible. They've worked hard individually and as team in every tournament they've played in and just grown as the months have gone by and even when they've had a few setbacks, others have upped their game and pushed themselves and the team on. They fully deserve their league Championship medals and hope to add the Cup to it tonight.

Goals have been shared out amongst the girls, and the defenders and keeper can be proud of the amount of clean sheets they've had along the way which shows you what a fantastic effort this has been along the way.

As coach, I couldn't be any more proud of your achievements and they style of football you play. You've earned tonight. Go out, play as you do and most importantly, enjoy yourselves!
