To those children who are transitioning to new schools we would like to wish you all the best as you start the next stage of your education. Please rest assured that transition meetings have been held with receiving schools which will help staff to support your child as they settle into their new environment in September.

We look forward to seeing the rest of our children in September along with some new faces! Thank you for your support this year – have a safe and happy summer break!

Kind regards,

Mrs Booth and all the staff at Somerville Nursery School
