<u>Leadership</u>	<u>Inclusion</u>	<u>Learning and Development</u>	<u>Welfare and Wellbeing</u>
<p>At St John's CE Primary School leaders ensure that the Early Years Foundation Stage Framework is followed.</p> <p>Christian ethos and values permeate at all levels throughout our JOY curriculum.</p> <p>We aim for the children to experience JOY in living and learning.</p>	<p>Our curriculum is progressive and provides considered opportunities to consolidate prior learning. We aim to create a learning environment with high expectations, taking into account children's interests and individual needs.</p>	<p>Every child has access to a broad, balanced and adaptive curriculum which prepares them for now and the future. All children are well prepared for their next stage in learning and will become lifelong learners.</p> <p>Our EYFS curriculum ensures our children will become:</p> <p><b>Capable and independent</b>  <b>Secure and resilient</b>  <b>Joy in learning</b>  <b>Competent communicators.</b></p>	<p>We consider every child to be special and unique.</p> <p>We are blessed to work in partnership with parents and carers as part of our whole school family where our children feel safe and nourished. We aim for all children to thrive with confidence to be their authentic selves.</p>
