Message from Mr McCoy

It's been a fabulous week at Bleak Hill Primary School, and I'm delighted to share some of the exciting events and achievements we've experienced. Our Art Week has been a wonderful celebration of creativity, with engaging art-based activities happening across all year groups. We were fortunate to welcome Neil, a local tennis coach, who worked with various classes and will be running extra-curricular tennis clubs for our children. On Tuesday, our KS2 pupils participated in a Goalball event, which they thoroughly enjoyed. The following day proved to be particularly successful in sports. Our Year 5 and 6 children competed in a Cross Country event, with outstanding results. Isabelle from Year 5 secured Gold in the girls' individual event, while Jenson, also in Year 5, won Silver in the boys' individual event. We are immensely proud of the entire team's performance.

Year 4 had an exciting trip to the Eureka Science Museum. Although their planned ferry crossing was cancelled due to a breakdown, the children remained positive. One pupil shared with me that despite the change of plans, he still had a brilliant day.

I would like to extend a big thank you to the FOBH for organising the Film Nights this week, and to our dedicated staff who stayed after school to host the films in their classrooms.

On a personal note, I'm thrilled to announce a special celebration: congratulations to Mr Dagnall on the birth of his baby girl, Ada, who weighed 6lb 3oz. Both mother and baby are doing well, and Mr Dagnall is navigating the joys of new parenthood.

A few important notices for parents: The land drainage work in the school field will continue over the next month, with the aim of improving our field's usability throughout the year. Additionally, the Multi Use Games Area (MUGA) is expected to be completed by the time we return after the half-term break, which is generating considerable excitement.

Thank you for your continued support. Have a fantastic half-term break, and we look forward to seeing everyone back in school on Tuesday 4th November.

Merit Award - Children who are enthusiastic artists
