Message from Mr McCoy

I am pleased to share several updates and highlights from School over this past week.

TriKidz visited our school earlier this week, working specifically with Years 4, 5, and 6. The children demonstrated exceptional engagement during these sessions. We had lots of very positive comments about their experience, and the children thoroughly enjoyed the sessions. Our school council also participated in a meaningful Remembrance Service alongside the local Parish Council on Tuesday, reflecting our commitment to community and remembrance.

Year 1 enjoyed an excellent educational trip to Blue Planet on Wednesday. The children were thoroughly enthusiastic about their day out, experiencing valuable learning opportunities beyond the classroom.

We are proud of our partnership with Edge Hill University, which saw 32 trainee teachers spending a day in our school on Thursday. The trainees provided numerous positive comments about our school environment and our approach, which is particularly gratifying.

Thursday evening was our second Open Evening for parents potentially planning for their children to join our Reception class in 2026. We welcomed families and showcased our school's learning environment.

Some of our Year 4 children are currently participating in a Team Building event this afternoon, developing important collaborative skills.

We are grateful for the wonderful support shown during Children in Need, with many children wearing Pudsey ears and contributing to this important cause.

I am especially excited to announce the completion of our Multi-Use Games Area (MUGA). We will be hosting an opening launch day on Wednesday, with every class scheduled to use the new facility. Please note that all children should come to school wearing their PE kits on Wednesday, 19th November.

We look forward to welcoming family members to the Year 5 Class Assemblies on Tuesday, which promise to be an engaging and enjoyable experience. 5DA starts at 9:15, 5DU at 10:15 and finally 5B at 11:15.
