Message from Mr Dagnall

This week has been particularly vibrant, with several important events taking place. On Monday, we observed Respect Day, which provided an opportunity for our children to reflect on the importance of treating others with kindness and understanding. Today, we participated in Number Day, engaging our children in mathematical activities. We extend our gratitude to the parents of 5F who attended parents' evening with Mr Fletcher this week. These opportunities for dialogue are crucial in supporting our children's educational journey. Our children have been involved in several exciting sporting activities. Year 6 participated in a football competition on Tuesday, and Year 5 attended a learning and discovery sports festival today. These experiences provide valuable opportunities for skill development and team building. Our school community continues to be supportive and active. The Friends of Bleak Hill are currently selling cookies after school. I would encourage parents to bring cash if they wish to support our PTA. We appreciate your continued support in these fundraising efforts. Looking ahead, next week is the final week of the half term. On Tuesday, Year 3 will be presenting their class assemblies, and on Thursday, Year 4 will be visiting Edge Hill University to celebrate Chinese New Year. Have a great weekend!

Merit Award - Children who are enthusiastic mathematicians
