## Message from Mr Dagnall

Welcome back. I hope you all had a restful break and are ready for an exciting few weeks ahead. It has been a pleasure to have all of the children and staff back in school this week, and the energy and enthusiasm across the classrooms has been wonderful to see.

We are delighted to share that every classroom in school now benefits from brand new LED lighting. This investment will enhance the learning environment for our children and staff, providing better visibility and a more comfortable space for teaching and learning throughout the day.

This week has already seen some fantastic educational experiences. Year 3 visited the Lowry in Salford, where they were able to engage with art and culture in an inspiring setting. Year 4 participated in a football competition on Wednesday, demonstrating excellent teamwork and sportsmanship. Today, Year 5 attended a multi-skills competition, showcasing their athletic abilities across a range of activities.

Next week is particularly busy, and we look forward to welcoming you to our school community events. Extra-curricular clubs will commence, offering children a range of opportunities to develop their interests and talents beyond the standard curriculum. Our book fair will be open before and after school on Monday, Tuesday and Wednesday in the small hall. This is an excellent opportunity to browse and purchase books, supporting children's love of reading. Thursday is World Book Day, and we invite all children to come to school in pyjamas or comfy clothes and bring their favourite book. This is always a highlight of our calendar and celebrates the joy of reading across the school.

Finally, Year 5 will be attending Tatton Park on Friday, where they will have the opportunity to learn about horticulture and the natural environment in a practical and engaging way.

Have a great weekend!
