Message from Mr Dagnall

This week has been particularly busy, and I am delighted to share some positive news that has taken place across our school.

Year 6 have had an exceptionally successful week completing their SATs assessments. I would like to extend my sincere thanks to all staff members who have provided dedicated support and preparation throughout this period. The children have demonstrated impressive resilience and commitment, and this would not have been possible without the continued backing of our parents and families. Your encouragement at home has made a genuine difference to their confidence and performance.

In other news, Year 3 have benefited from a valuable financial literacy session delivered by Natwest today. These sessions provide our children with essential knowledge about money management and financial awareness from an early age, equipping them with practical skills they will carry forward.

I would also like to thank our parents for their wonderful support of our own clothes day today. The generous donations of chocolates and gifts for our upcoming gala day have been greatly appreciated and will certainly enhance the occasion. Community involvement of this nature strengthens the bonds between home and school, and we are grateful for your continued commitment.

Looking ahead to next week, we have several events taking place. Our Reception class assemblies will be held on Tuesday morning, and we look forward to celebrating the achievements of our youngest learners. Additionally, Year 6 will be embarking on their residential visit from Wednesday to Friday, which promises to be an exciting and enriching experience for them.

Have a nice weekend!
