Message from Mr Dagnall

As we reach the end of another academic year, I wanted to take a moment to reflect on what has been a busy and rewarding term at Bleak Hill Primary School. The conclusion of the school year is always a time to pause and acknowledge the collective effort that goes into making our school community thrive.

I would like to extend my sincere thanks to all parents, carers and family members for the support you have provided throughout the academic year. Your commitment to your child's education and wellbeing makes a genuine difference to their experience at Bleak Hill, and we are grateful for the partnership we share with you.

To our staff, I must express my appreciation for their dedication and hard work. Teaching and supporting children is demanding work, and our team has consistently demonstrated their commitment to providing quality education and pastoral care. Their efforts form the foundation of everything we achieve as a school.

This year also marks significant milestones for some members of our team. We would like to wish Miss Malone and Mrs Owen all the very best as they retire after 24 and 27 years respectively at Bleak Hill Primary School. Their contributions to our school over these many years have been invaluable, and they will be greatly missed. We also extend our best wishes to Miss Dunne, Miss Disley and Miss Aspinall-Wood as they embark on married life this summer.

Our Year 6 children have demonstrated remarkable talent and maturity throughout their time at Bleak Hill. Their end of year performances were outstanding, showcasing the skills and confidence they have developed. We would like to congratulate them on completing their journey with us and wish them every success as they transition to high school. We have no doubt they will continue to thrive in their new environment.

Today's award ceremony was a wonderful celebration of achievement. We had the pleasure of recognising worthy recipients across each of our awards, and it was a fitting way to acknowledge the hard work and positive contributions of our children throughout the year.

As we break for the summer holidays, I hope everyone enjoys a well-deserved rest. It has been a pleasure to work with such a committed school community. We look forward to welcoming the children back on Monday 7th September, ready for another exciting year ahead.

Have an amazing Summer!
