Message from Mr Dagnall

Welcome back to all of our children, families and staff. It has been wonderful to welcome all our new reception children into Bleak Hill Primary School this week. They have settled in remarkably well, and we are excited to see them grow and develop throughout the year.

I have had the opportunity to lead two assemblies with the children this week, and it has been pleasing to see the children demonstrating our HIGH expectations across the school. The children have presented themselves excellently, with all wearing the correct uniform. This commitment to our standards sets a positive tone for the year ahead.

Rock Steady has returned this week, offering children the chance to develop their musical talents by joining a band. There are still a few places available for any child interested in participating in this enriching programme.

Today, we celebrated Cool Creators Day across Years 1 to 6. The children engaged enthusiastically with learning about significant individuals who have made important contributions in their fields. We encourage you to ask your child about the person they have been studying – they will have plenty to share about their learning.

Looking ahead, next Friday we will be holding another No Pen Day. This is an opportunity for children to use their voices as a key part of their learning, developing their communication and oracy skills in a meaningful way.

Have a brilliant weekend!

Merit Award - Children who understand democracy
