Message from Mr Dagnall

It has been another busy and productive week at Bleak Hill Primary School, and I am pleased to share some of the highlights with you.

Year 5 have completed their Bikeability sessions this week, and I would like to extend my congratulations to all of the children who participated. They have demonstrated excellent cycling skills and commitment throughout the programme. This is an important initiative that equips our children with practical road safety knowledge and confidence on two wheels.

Our children have also represented the school exceptionally well in competitive events this week. A group of Year 5 children competed in a Football competition, whilst a group of Year 6 children took part in a Dodgeball competition. These opportunities allow our children to develop teamwork, resilience, and sporting excellence whilst building their confidence in a competitive environment.

We were delighted to welcome NatWest Thrive to school on Thursday and Friday, who delivered money sessions for our Year 1 and Year 2 children. These sessions provide valuable early learning experiences in financial literacy and numeracy. We are grateful to NatWest for their continued support and investment in our children's education. I would also like to thank the Friends of Bleak Hill for hosting our Breakfast on the Go event today. This community event not only provides a wonderful opportunity for families to come together but also raises essential funds that directly benefit the children at school. The support of our parent community is invaluable.

Looking ahead, we will be hosting the first of two Reception 2027 Intake Open Evenings next week, on Tuesday 6th October, 4.30-6pm. This is an exciting time for prospective families, and we look forward to welcoming them to Bleak Hill Primary School.

Have a great weekend!
