Message from Mr Dagnall

We have had a great week at Bleak Hill, and I am pleased to share some of the highlights with you.

Our Year 2 children enjoyed a trip to Imagine That, and our Year 4 children visited Eureka. These visits gave children the opportunity to extend their learning beyond the classroom and to experience new environments first-hand. Thank you to all the staff who organised and accompanied these trips.

On Tuesday, Year 4 took part in football competitions, and Year 6 took part in rugby competitions. On Thursday, a group of KS2 pupils took part in Boccia and New Age Kurling. Well done to everyone who represented the school with such commitment. I am delighted to congratulate Elliot in Year 6, who was awarded the 'Overcoming Adversity' award at the St Helens Primary All Stars Awards. This is a brilliant achievement, and we are proud of his determination and resilience. Good luck to Year 6 children, Tom and Louie, who will represent St Helens School Boys in the National Cup on Saturday against Hull School Boys. We wish them every success and look forward to hearing how they get on.

Year 3 and Year 4 children also took part in the NatWest Thrive sessions on Thursday and Friday.

Please remember that we finish at normal time on Friday 23rd October for half term. We hope that all children and families enjoy the break. Have a great weekend!

Helping to Keep Everyone Safe and Well

At Bleak Hill, we have children who have medical conditions that mean their immune systems are weakened, making them more vulnerable to infections. We kindly ask all families to help us protect these children by keeping your child at home if they are unwell or showing symptoms of an infectious illness. Please also encourage regular handwashing and good hygiene practices at home.

We understand that illnesses are a normal part of childhood, and we really appreciate your support, understanding and consideration in helping us maintain a safe and healthy environment for all our children.
