Message from Mr Dagnall

First and foremost, welcome back to everyone after the holiday period. I trust you have had the opportunity to view our new school video, which captures the vibrant spirit of our school community. I would like to extend my thanks for your support during the recent challenging weather conditions with snow and ice. Your cooperation and understanding help ensure the safety of our entire school community.

This week, Year 5 and Year 6 children have participated in swimming sessions. Lessons will continue next week Monday to Thursday. Our Year 4 children enjoyed their educational trip to Chester on Wednesday, where they explored Roman history and enhanced their learning about this fascinating period.

I am pleased to inform you that the Autumn term reports will be sent home later today. Please come prepared with any questions you may have during our upcoming parents' evening, which will take place on Tuesday and Wednesday. I will be hosting a series of short presentations, every 30 minutes on both parents evening starting from 3.45pm, with the last presentation at 5.45pm. Please feel free to attend any of the presentations and ask any questions you may have.

Extra-curricular clubs will recommence next week, providing our children with additional opportunities for learning and engagement. I am particularly excited to share that our School Council will be visiting the Houses of Parliament in London on Friday, offering them a valuable insight into our democratic processes. May I take this opportunity to remind parents about our Cycling Policy, bikes or scooters should not be ridden whilst on the school premises, riders should dismount at the school gates. The policy can be found on the school website.

Have a brilliant weekend and we look forward to seeing you all next week.

Earlier this year you were asked to vote for your favourite school lunch menu—Bleak Hill's winning choices are being served on Thursday 15th January. Please can we encourage you to book a school lunch for your child on the School Grid for this day.....

We would like as many children in Reception, Year 1 and Year 2 to take up the offer of a Universal Free School Meal. Therefore children in these classes, who are on packed lunch will have the opportunity to try a hot dinner. As children in these classes are entitled to Universal Free School Meals, there will be no charge for the meal.

If you would like your child to try the menu and still provide a packed lunch box, please send this in as normal and inform class on the day.
