## Message from Mr Dagnall

As we reach the end of another great week at Bleak Hill, I have lots to share with everyone.

Our Year 5 and Year 6 children have been participating in swimming lessons throughout this week. This important physical education activity supports their personal development and provides valuable life skills. We held our parents' evenings on Tuesday and Wednesday, and I would like to express my sincere gratitude for your continued support. Your engagement is crucial in supporting our children's educational journey.

Our school council have had an exciting visit to the House of Parliament and Downing Street today. This opportunity will provide our children with a valuable insight into our democratic processes and governmental structures. Thank you to David Baines MP for arranging our visit to Downing Street.

Looking ahead to next week, we have several engaging activities planned. Year 1, 2, and 3 children will be participating in the TriKidz event, where they will complete a duathlon. Our Year 6 children will be visiting the Imperial War Museum on Wednesday to support their historical learning and provide a meaningful context to their curriculum studies.

Could I please also take this opportunity to remind you about parking around school -please could I ask that you take care with your parking, prioritise the safety of the children and be considerate to our neighbours. Please pass this information onto anyone who would be collecting your child/ren from school. Have a great weekend and thank you for all of your continued support.

## Merit Award - Children that stay positive and motivated
