

World Book Day 2026

Reading the Rainbow

On Thursday 5th March, we will be celebrating World Book Day. Our theme this year will be 'Reading the Rainbow'. This will be an own clothes day.

Wear a colourful outfit! Whatever you have at home!

You could dress all in one colour or a rainbow of colours.

There will be lots of activities based around our theme, including a storytelling session for pupils during the day.

Our Reading Champions are also holding after school craft activities and a storytelling session on 5th March from 3pm-4pm for all adults and pupils.

Please complete the form on School Spider if you would like to join us for this activity.
