November 2025

Dear Families

Welcome to our online booking and payment system, iPAL, for Early Education, Playgroup, Flying Start, Nursery Plus, After School Club and Holiday Club. This system provides a straightforward way to help you book, manage and pay for your child's sessions, and provide us with all of their information, in one secure place.

Families of children who attend our Flying Start, Early Education and Nursery Plus provisions will not need to book their child onto the system for these sessions as they attend the same days through the year. We will enter these for you. **However, you will still need to register your child on iPAL before they can attend their first session**, even if you're eligible for the Childcare Offer for Wales.

Please note, you will need to book your child onto the system for all Breakfast Club, After School Club and Holiday Club sessions.

The system is very easy to use and will save you time and help you manage your child's bookings. iPAL gives you full access to your account information and allows you to print invoices for tax credit letters plus much more.

Register with iPAL in 5 easy steps:

1. Visit <https://borrasparkdaycare.ipalbookings.com>
2. Select '**Register**' and enter your name, email address and password details.
3. Before you click continue, you will need to confirm you have read and understood the Terms and Conditions. When you tick this box, a separate window will open with the Terms and Conditions documents for you to open and read. Once you have read each document, please tick to accept and click to '**Confirm**' your acceptance.
4. Click '**Continue**'. At this point you will receive a confirmation email with a two-factor authentication registration code to input. This email may go to your junk folder, please mark it as safe to ensure you receive all future emails from iPAL.
5. Complete all of your details then click '**Add Child**' to complete your child/children's information. Once completed you will be able to check availability, book and pay for sessions.

For additional support or booking / payment help, please feel free to contact us at borrasfulldaycare5@hwbcymru.net or call us on 01978 346890 (Option 3).

Warm regards

The Full Day Care team
