MEET THE GOVERNORS:

Mrs Dray

Mrs Dray was voted by parents to Clive's Local Governing Board. She has two children, one in Year 1 and one in Y4. She is very passionate about environmental issues as well as ensuring good quality teaching and learning. As with all governors, she can be contacted through the school office (mark any correspondence for her attention).

VEG POWER

For ideas on getting your child(ren) to eat more fruit and veg have a look at [Veg Power](#).

Lots of useful ideas and articles about the importance of fruit and veg. A particularly useful article about avoiding food waste. We are encouraging as little food waste as possible in school and the children are trying different foods to what they may be used to.

STAR PUPILS & ADULTS

Well done to Addison (Nursery) who completed her 2km ParkRun last weekend without stopping. What an achievement! No wonder she had aching legs!

Well done to Mr Bentham who has been chosen to be a member of Team GB for European Off Road Running Championship in Slovenia. As a pupil at Clive, he was an enthusiastic member of cross country club! Good Luck!

Congratulations to all the children in Y6 who have completed their SATs this week. They have approached each day with a positive attitude and mature outlook. Well done all of you!

INTERNATIONAL DAY FOR BIOLOGICAL DIVERSITY

Biodiversity is the foundation of all life on Earth. But around the world, it is being lost at an unprecedented rate. The International Day for Biological Diversity (IDB) 2026, "Acting locally for global impact," is a call for us all to take action to halt and reverse biodiversity loss. Protecting biodiversity includes action close to home with positive ripple effects that can reach far beyond.

On 22 May 2026, people around the world will come together to bring biodiversity into focus.

[International Day for Biological Diversity \(IDB\) 2026 | Convention on Biological Diversity](#) for more information.

Our value for the term is 'Respect'.
