

YEAR 5/6 NEWSLETTER

SPRING 2 - 2026

What We Are Learning

As well as our Maths and English curriculum, this is what else we will be learning about this half-term:
Science - Materials: mixtures and separation

Art - Drawing: Make my voice heard

ICT - Databases

DT - Digital world: Monitoring devices

History - Vikings

RE - Christianity: Easter through art

PE - Net/wall games

PSHE - Families & relationships

MFL - French

NATIONAL YEAR OF READING

2026 is the National Year of Reading and across the school, we will be holding events to encourage more people to read for enjoyment. Keep an eye out for these events in the future.

Reminders

School uniform - Can we ensure that all children come to school in the correct school uniform? We have noticed lots of children wearing jewellery, false nails or branded sportswear, particularly on PE days. Any children wearing jewellery will be asked to remove it and it will be stored safely until the end of the school day.

Upcoming Events

- 5th March - World Book Day
- 9th March - POOC assemblies
- 16th March - Visit St Nicholas's Church
- 24th March - STEM day
- 25th March - Y5 Viking day
- 26th March - Y6 Viking day

History:

BBC Bitesize - Vikings

Homework

From this half-term, as well as the weekly maths, spelling and home reading expectations, we will be adding English homework. This will be an extension to what the children have been learning in class. These extra bits of homework will help the children to build on the progress they have made in class.

SATs preparation:

Following on from the parents' SATs session that Mr Healey led in February, if you are looking for additional study books, we would highly recommend the CGP SAT Buster books for Year 5 and 6.

Spring 1 Highlights

Lego Building

Rapping for National
Storytelling Week

Tranmere Rovers player
visit

Road Safety workshop
