2nd October 2026

Dear Parents and Carers,

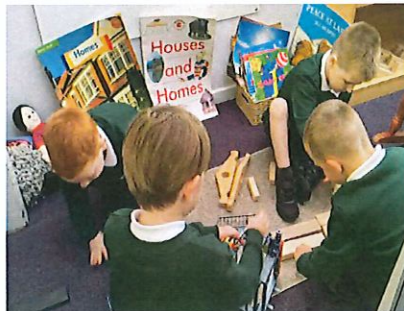

As we head into October, we would like to share some of our favourite moments from September below. Our youngest children have settled in brilliantly to school life and seeing them playing with their Year 6 buddies and making new friends has been a particular highlight.

EYFS

Our youngest children (some only age 2), have settled in really well to Nursery and F2. They are developing their friendships, exploring their own bodies by naming and labelling body parts, playing outdoors to develop their teamwork, speaking and listening skills. We have loved them being a part of our school and look forward to their journey at Greenleas.

Year 1 and 2

Year 1 and 2 have worked well to get to know each other and have started the year really well getting used to the new routines, expectations and staff. The children have enjoyed being creative and producing some fabulous artwork.

Year 3 and 4

Check out some of our soap sculptures in Year 3 and 4. The children had a lot of fun and developed their sculpting skills using different tools to create their own sculptures that they designed. They also took over the playground to create artwork in the style of Magdalene Odundo.

Year 5 and 6

The highlight for Year 5 and 6 has been their team building day at Go Ape in Delamere Forest. The children (and staff) had lots of fun flying through the tree tops and working as a team to solve problems in 'Baboonzled'. I had the pleasure of joining the children on this trip and participating with them. They were brave, supportive of each other and most of all, they had smiles on their faces!

For more detailed information about what the children have been learning, please see Class Dojo.

Parent/Carer Survey

We would love to hear parent/carers views on our current relational practice. Thank you to those who have already completed the survey. Please complete the Google Form below by Friday 9th October:

Cross Country at Birkenhead Park

Well done to the children who participated in the second Cross Country event of the school year at Birkenhead Park on Monday. For some, this was their first time entering a race and we are very proud of them all for representing our school. Again, a thank you to Mr Baker for organising and attending.

Year 4 - Darcy SP, Erin D, Orla D, James H, Phoebe F, Poppy L and Lucas C

Year 5 - Isla T, Oliver L, Edward S, Sofia M and Jake B

Year 6 - Eri D, Niamh M and Freddie W

World Mental Health Day

On Friday 9th October, we are inviting the children and staff to come to school wearing something that represents them to raise awareness for World Mental Health Day as part of The Hive's 'Bee Happy' project. The Hive in Birkenhead offers children from the Wirral the opportunity to nurture talents and interests in a space, affordable space. We will be collecting £1 donations from the children to support The Hive with their fantastic community work. Please refer to the letter sent yesterday via email.

TT Rockstars

In assembly on Monday, Mrs King relaunched our Times Tables Rockstars challenge. We are encouraging the children to access TTRS at home as often as possible to become one of the top 15 schools on the

Wirral. Last year, they achieved this and as a prize, Mrs King and myself dressed up as bananas for the day. This year, we are going to hopefully have to find a pineapple costume. Get playing if you want to make us have to come to school dressed as a pair of pineapples!

Healthy Snacks

At break time, children enjoy having a snack. From Nursery through to Year 2, the school provides a healthy snack each day for the children. From Year 3 upwards, the children are allowed to bring in their own healthy snacks. Please ensure that the children are not bringing unhealthy snacks to school such as chocolate bars and crisps for break time.

Parents'/Carers' Evenings

Next week we look forward to welcoming families into school for parents'/carers' meetings with your child's class teacher. Please note that these meetings are limited to ten minutes per child and if you require additional time, please arrange a convenient time with the teacher.

School Photographs

On Tuesday, the children will have their individual and sibling photographs taken. Please ensure that your child is wearing their full school uniform. If your child usually has P.E on a Tuesday, please send them into school in their uniforms and they should bring suitable footwear in a bag to change into for P.E.
