

I hope that this information has been useful. If you would ever like to see me, please feel free to let myself or the office know and we can arrange a convenient time. I am available most days after school, as this is better than before school.

Maths

This half term the children will be starting the term off focusing on place value and the order of numbers, they will then look at 2D and 3D shapes along with looking at capacity, volume and money. The children will also recap and extend their knowledge on addition and subtraction.

The children will also continue their times table lesson every Monday where they will focus on the 2x 5x and 10x table as well their 2 divides, 5 divides and 10 divides.

Year 2 Spring term 2

English

Our English learning this half term focusses on spelling, punctuation and grammar and applying these skills in short bursts of writing.

The children will be creating their own instructions about how to look after a giant as well as writing a description about their very own giant!

Phonics/Reading comprehension will also take place every day, ensuring they are reading and writing those core sounds on a daily basis.

Music – This half term, Year 2 will be learning to play the ukulele every Monday afternoon with Nathan, a highly experienced musician and music teacher.

PE – This half term, Year 2 will have PE on a Monday afternoon. Please make sure your child comes to school in their PE kit that morning.

DT – Our DT unit this half term focusses on mechanisms and we will be designing a fairground wheel.

I hope that this information has been useful. If you would ever like to see me, please feel free to let myself or the office know and we can arrange a convenient time. I am available most days after school, as this is better than before school, as this is better

General Reminders

Homework – Homework will be given to take home every Friday. It is important that you encourage and support your children with their homework, but please do not do it for them. Homework should be completed on a Monday. All children are expected to return homework.

Spellings – Children will be given their new list of words to learn every Friday. These are put in their homework books and a spelling quiz will take place the following Friday. We will have a weekly Times Table quiz every Monday.

Water Bottles – Water bottles are provided by school.

Geography – Why is our world wonderful?

Week 1	Week 2	Week 3	Week 3	Week 4	Week 5	Week 6	Week 6
<u>Lesson 1: What are some of the UK's amazing features and landmarks</u>	<u>Lesson 2: Where are some of the world's most amazing places;</u>	<u>Lesson 3: Where are our oceans?</u>	<u>Lesson 4: What is amazing about our local area?</u>	<u>Lesson 5: What is amazing about our local area?</u>	<u>Lesson 5: Why are natural habitats special?</u>	<u>Lesson 6: How can we look after our natural habitats?</u>	<u>Lesson 6: When can we look after our natural habitats?</u>
To identify geographical characteristics of the UK.	To locate some of the world's most amazing places.	To know the names of the oceans and locate them on a map.
