

Maths

We will be applying all our maths skills and knowledge to real life problems such as salaries, bills and planning days out.

We will continue to learn and reinforce our times tables every day which is really important and all children should be fluent in their recall of times tables and related division facts to 12 x 12.

We will have arithmetic sessions each week to practise and develop our calculation skills.

Year 6

June - July 2026

English

Our English learning this half term focusses on lots of different types of writing to revise what we have been learning this year.

Grammar sessions will support our English learning, giving new knowledge that can be applied in our writing. We will be completing different assessment tasks to ensure we can apply our grammar skills.

Reading sessions will continue to take place daily. This is where we practise and develop key reading skills. These skills will be applied through the week in a range of different ways.

We ask that you continue to encourage your child to read at home as often as possible and for you to comment in their Reading Record.

Geography – Independent fieldwork enquiry

- Developing enquiry questions
- Creating data collection methods
- Mapping routes
- Collecting, interpreting, analysing and presenting data

Science – Making Connections (Are some sunglasses better than others?)

- Revising and applying key knowledge from the Year 6 units
- Planning
- Gathering evidence
- Analysing, concluding and evaluating
- Presenting

Music – This half term we will be beginning to learn a range of songs for our end-of-year production, which will take place in July.

PE – This half term Year 6 will be taking part in PE on **Wednesday** afternoons. Please ensure your child comes to school in their PE kit.

D.T. – Our DT focus this half term will be Digital World

R.E. – We will be asking the question: What can be done to reduce racism? Can religion help?

Computing – the children will create and use spreadsheets

PSHE –Pupils will learn about relationships, puberty and SRE.

General Reminders

PE – PE will take place every Monday and Friday afternoon. Please make sure your child comes to school in their full PE kit.

Reading Books - Please make sure children have their reading books and reading journals in school every day.

Homework – Homework will be given to take home every Friday and handed back into school on a Wednesday. It is important that you encourage and support your children with their homework, but please do not do it for them.

Times Tables – It is imperative that children regularly practise their times tables. As part of their homework, children will bring home weekly times tables. We will have a weekly Times Table quiz every Wednesday.

Water bottles - We encourage all children to bring in their own water bottle which they have access to throughout the day.
