

Dear parents and carers,

There has been lots to celebrate in school this week. Yesterday afternoon, we celebrated the work of some of our children in each year group with our #proud evening at St Patrick's. It was also a special evening for our children on the Sacramental Programme, with some of them making their First Forgiveness in church. We continue to pray for our children as they continue their sacramental journey.

Yesterday, we had the NSPCC in school running workshops with some of our classes on how we can make sure that we are safe and who we can talk to if something is worrying us.

Finally, Happy Mother's Day to all of our mums, grandmas, aunties and special ladies in school. I hope you have a lovely day on Sunday!

Nut free school

A reminder to all parents that St Patrick's is a nut-free school, please do not send nut-based snacks into school. Thank you for your understanding and helping us to keep everyone safe and healthy.

British Science Week 2026

There has been so much going on in school this week to celebrate this year's theme of 'Curiosity'. Our pupils have definitely shown that they are scientists through their investigations, discussions and experiments! Have a look on Facebook to see all of the fantastic learning that has been happening in school. #WeAreScientists

Dates coming up...

Wednesday 25th March – World Maths Day. Children to dress up as rockstars for the day.

Thursday 26th March – Year 4's trip to Brockholes.

- Coffee Morning for parents (10am)
– St Ed's Bake Off! After school

Thursday 2nd April – School closes at 1pm for Easter.

Attendance

Well done to Reception who had the highest attendance this week with 98.9%

Spotlight on this week's trip and workshops

The charity, 52 Lives, delivered a workshop to Years 1-6 this week focused on the importance of kindness. The children loved showing how kind they can be and learning how important kindness is within communities.

Year 5 enjoyed a visit to Jorvik on Friday, they learnt more about who the Vikings were and why they came here and put their knowledge to the test by becoming archaeologists for the day!

Bereavement: We send our thoughts and prayers to the family and friends of Jo Phillips, our Art specialist teacher, who sadly passed away recently. *Eternal rest, grant unto her O Lord and let perpetual light shine upon her, may she rest in peace. Amen.*
