

Dear parents and carers,

Welcome back after the Easter holiday! It has been lovely to see the children come back ready for learning and enjoying the sunshine this week. It is a busy half-term, with lots happening inside and outside of the classroom, so please keep following the newsletters to stay up to date. Next week, we also have trips for Year 2, Year 4 and Year 5

This morning, we gave out our prizes for all those children who had 97%+ attendance last half-term – well done to all of those children. A reminder that being in school every day is so important for learning. We have also launched our 3A Challenge today – focusing on every child's **A**ttendance, **A**ttitude and **A**chievement

Have a lovely weekend!

Y6 Residential trip – Robinwood

We are looking forward to taking our Year 6 children to Robinwood in July to make some fantastic memories with their peers. There is still plenty of time until the trip but just a reminder to parents that the final deadline for payment is Monday 29th June.

Spotlight on Year 2's trip to Quarry Bank Mill:

The children visited the Apprentice House and learned about what life was like for the children who lived and worked there. They explored the mill, where they saw the thundering machines used to turn cotton into thread. It was a great way to learn about life in the past and as always the children were fantastic representatives of our school.

Looking after our school environment:

We have noticed an increasing amount of litter around our school grounds, particularly around the accessible playground in the car park. Please help us to keep our school environment safe and clean by ensuring all rubbish is placed into the bins provided around school. Thank you for your continued support.
