

Dear parents and carers,

After Vocation Sunday last week, we have been thinking about our calling from God and what God wants us to be. It has been another busy week in school, with lots happening.

Year 4 have been on a trip this week - the children had a great time and were excellent ambassadors for our school. Hopefully, next week's trips have the same nice weather!

We have received concerns about the way that some parents are using the car park. A letter will follow but please make sure you are following the one-way system. Please take note of the dates of events coming up –more details to follow. Enjoy the Bank Holiday and the extra-long weekend.

God bless

Spotlight on Year 4's trip to The Deva Roman Experience:

Year 4 had a wonderful day in Chester. They started the day by pledging their allegiance to the Roman army as they marched through the streets of Chester. They then learnt about life in Roman Britain; exploring why and how the Romans came to Britain, the different jobs they had, the food that was eaten and the changes they made to daily life that are still used today!

Looking after our school environment:

We have noticed an increasing amount of litter around our school grounds, particularly around the accessible playground in the car park. Please help us to keep our school environment safe and clean by ensuring all rubbish is placed into the bins provided around school. Thank you for your continued support.
