

Dear parents and carers,

I want to begin by wishing our children on the Sacramental Programme all of our prayers, as they make their First Holy Communion on Sunday. I hope that God continues to nourish and guide you all.

Our Year 4 children have completed their times tables check and gave their very best. Most of our Year One children have done their Phonics Screening Check this week too – thank you to all of the teachers who have helped to prepare the children.

We have lots more events in the coming weeks. Keep checking the newsletter for advance notice of what is upcoming.

Have a great weekend.

Attendance

Well done to Year 1 who had the highest attendance this week with 98.8%

Manchester Childcare Survey

Manchester Council have asked us to share a childcare survey with parents with children aged 5 and over. The feedback will support the city's childcare sufficiency assessment, helping us to better understand demand, identify any gaps in provision and inform future planning.
