

Dear parents and carers,

Congratulations to our pupils on the Sacramental Programme who made their First Holy Communion – I hope it was a special day for you all. In school this week, there has been a lot of great learning. In assembly on Monday, we talked about how we can try and show some 'compassion' in school, just as Jesus showed compassion to the crowds in the Gospel last Sunday.

Next week is a busy one in school and our Year 5 & 6 pupils will get the chance to sing at the Bridgewater Hall next Friday – I am sure they will do St Edmund's proud.

Have a great weekend.

### Attendance

Well done to Year 1 who had the highest attendance this week with 98.8%

### FareShare Vegetable sale

We will be holding a FareShare fruit and vegetable sale after school on Thursday 25th June. This has proved very popular at other schools

Please bring a carrier bag with you and you can fill up your bag for a donation of £2. There will also be some bread that can be bought for a small donation

### Toys in school

Please ensure that your children are not bringing toys (including squishies) into school as these can get lost or broken and become a health and safety concern.

### What have we been learning this week?

Year 2 have been working hard in Music this week, learning some new songs for our upcoming Edsbury performance.

Year 3 have been working hard to show their understanding of fractions in Maths. They have shown great perseverance with some tricky questions!

Some of our Year 6 children were selected to take part in a triathlon event, they had a fantastic time showing off their swimming, cycling and running skills.
