

Dear parents and carers,

It has been incredibly warm in school this week and I want to start by saying a big thank you to the children for coping with the heat so well and to the teachers for changing activities and trying to make classrooms as cool as can be. Hopefully next week will be pleasant but a bit cooler so we can get back to doing all the things we want to do in the Summer Term.

A huge well done to our Year 5 & 6 pupils who took part in the Big Sing at the Bridgewater Hall today – a fabulous opportunity to perform in a world-famous venue!

Have a great weekend and stay safe!

FareShare Vegetable sale

Thank you to all of the parents who bought fruit and veg in our sale. It is something we hope we will be able to carry on next year, if parents wish.

On Monday, we celebrate St Peter and St Paul. They were followers of Jesus who helped build the Church. Peter was a leader chosen by Jesus, and Paul travelled far to share the Good News. Their lives remind us to be courageous, faithful and ready to follow Jesus – we will be thinking about how we can be like these saints in assembly on Monday

Spotlights on Trips:

Year 5 visited St Matthew's for a transition morning where they took part in an exciting Science lesson.

Year 3 have visited Bolton Museum this week to take part in an Ancient Egyptian workshop. The children were able to see real historical artefacts and learnt more about what life would have been like for the Ancient Egyptians.

Year 5 and 6 had a wonderful time at the Big Sing Event at Bridgewater Hall performing songs to uplift our hearts and minds.

Our KS2 classes took part in Cricket taster sessions with Lancashire Cricket Foundations. The children thoroughly enjoyed learning about the sport.

Warm Weather

We are continuing to monitor the warmer weather and are following guidance for schools. Please continue to send your children into school with sun cream on, with a water bottle and sun hat.
