Spring Term Week Four
Friday 30th January

Dear parents and carers,

There has been lots happening in school over the last couple of weeks. At lunchtimes, we have been using our equipment boxes to support a range of activities in Active Time – thank you to our Sports Captains and the JLT for their suggestions and work on this.

Last week, our Year 6 children have taken part in their Bikeability this week – it has been lovely to hear some of the positive comments from instructors and hopefully the children that have taken part will be able to cycle safely on our roads moving forwards.

We were so blessed to have the relics of St Carlo Acutis visit church this week, a group of children represented our school in visiting the relics with other schools from the Diocese.

Have a great weekend.
Mr McMahon

Relics of St Carlos Acutis

On Friday, some of our KS2 pupils had the opportunity to visit the relics of St Carlos Acutis in St Patrick's Church. They took part in a Celebration of the Word and listened to a wonderful homily from Monsignor Anthony Figueiredo, Custodian of the Relics where they learnt more about St Carlo's life and his path to sainthood.

Open visits to view the relic:

8:00pm Friday 30th January

8:00pm Saturday 31st January

12:30pm Sunday 1st February

Polite Notice: Please can all parents be mindful of others when parking on the surrounding roads at the start and end of the day.

Please ensure that you are parking safely so that all pupils and families can cross the road safely when coming into school in the morning and leaving the school grounds at the end of the day.

Thank you for your continued support.
