Spring 2 Term
Week 3
Friday 13th March

Dear parents and carers,

There has been lots to celebrate in school this week. Yesterday afternoon, we celebrated the work of some of our children in each year group with our #proud evening. It was also a special evening for our children on the Sacramental Programme, with some of them making their First Forgiveness in church. We continue to pray for our children as they continue their sacramental journey.

Next Tuesday, we celebrate St Patrick's Day and the feast of our school's patron saint – we will be celebrating Mass at 9.15am in church. Parents are welcome to join us.

Finally, Happy Mother's Day to all of our mums, grandmas, aunties and special ladies in school. I hope you have a lovely day on Sunday!

Have a good weekend.
Mr McMahon

Nut free school

A reminder to all parents that St Patrick's is a nut free school, please do not send nut-based snacks into school.

Thank you for your understanding and helping us to keep everyone safe and healthy.

British Science Week 2026

There has been so much going on in school this week to celebrate this year's theme of 'Curiosity'. Our pupils have definitely shown that they are scientists through their investigations, discussions and experiments! Have a look on Facebook to see all of the fantastic learning that has been happening in school. #WeAreScientists

Spotlight on this week's trips

Year 2 enjoyed a visit to Quarry Bank Mill this week to support their learning in history all about cotton manufacturing and life in the mills.

Year 5 also enjoyed a visit to Jorvik, they learnt more about who the Vikings were and why they came here and put their knowledge to the test by becoming archaeologists for the day!

Bereavement: We send our thoughts and prayers to the family and friends of Jo Phillips, our Art specialist teacher, who sadly passed away recently. *Eternal rest, grant unto her O Lord and let perpetual light shine upon her, may she rest in peace. Amen.*
