

St Patrick's News

Summer 2 Term
Week 3
Friday 19th June

Dear parents and carers,

Congratulations to our Year 3 pupils on the Sacramental Programme who made their First Holy Communion – I hope it was a special day for you all. In school this week, there has been a lot of great learning. In assembly on Monday, we talked about how we can try and show some 'compassion' in school, just as Jesus showed compassion to the crowds in the Gospel last Sunday.

Next week is a busy one in school and our Year 5 & 6 pupils will get the chance to sing at the Bridgewater Hall next Friday – I am sure they will do St Patrick's proud.

Have a great weekend.

FareShare Vegetable sale

We will be holding our next FareShare fruit and vegetable sale after school on Thursday 2nd July

Please bring a carrier bag with you and you can fill up your bag for a donation of £2. There will also be some bread that can be bought for a small donation.

What have we been learning this week?

Year 3 have enjoyed celebrating the Holy Communicants this week with a party lunch and afternoon. Year 3 have talked about how special this sacrament is in the Catholic faith.

Year 5 have been exploring the process of dissolving in Science, they investigated if changes in the temperature of the water affected the time taken for substances to dissolve.

Some of our Year 6 children were selected to take part in a triathlon event, they had a fantastic time showing off their swimming, cycling and running skills.

Toys in school

Please ensure that your children are not bringing toys (including squishies) into school as these can get lost or broken and become a health and safety concern.
