Summer 2 Term
Week 4
Friday 26th June

Dear parents and carers,

It has been incredibly warm in school this week and I want to start by saying a big thankyou to the children for coping with the heat so well and to the teachers for changing activities and trying to make classrooms as cool as can be. Hopefully next week will be pleasant but a bit cooler so we can get back to doing all the things we want to do in the Summer Term.

A huge well done to our Year 5 & 6 pupils who took part in the Big Sing at the Bridgewater Hall today – a fabulous opportunity to perform in a world-famous venue!

Have a great weekend and stay safe!

Attendance

Well done to Year 5 who had the highest attendance this week with 97.4%

On Monday, we celebrate St Peter and St Paul. They were followers of Jesus who helped build the Church. Peter was a leader chosen by Jesus, and Paul travelled far to share the Good News. Their lives remind us to be courageous, faithful and ready to follow Jesus – we will be thinking about how we can be like these saints in assembly on Monday.

What have we been learning this week?

Years 3, 4, 5 and 6 enjoyed cricket taster sessions this week. The children were able to learn new skills and experience a sport that they might not have played before, well done children.

Year 3 have brought their History learning to life this week, they have written their own instructions for mummification in their English lessons and followed these in their History lesson to 'mummify' a tomato!

FareShare Vegetable sale

We will be holding our next FareShare fruit and vegetable sale after school next Thursday 2nd July

Please bring a carrier bag with you and you can fill up your bag for a donation of £2. There will also be some bread that can be bought for a small donation.

Warm Weather

We are continuing to monitor the warmer weather and are following guidance for schools. Please continue to send your children into school with sun cream on, with a water bottle and sun hat.
