■ Could you Pray for a Child at one of our Catholic Schools?

This year, we are launching a new parish prayer initiative to support the children of St Jerome's and Our Lady's, throughout their school journey. Many families joining the school are beginning an exciting new chapter, and we would love our parish community to accompany them in prayer. We are inviting parishioners to become prayer partners by praying regularly and anonymously for a child during their time at primary school. Parents will be invited to submit their child's first name, and each child will be matched with a parishioner who will keep them in their prayers. This simple but powerful ministry offers a beautiful way of supporting our young people and strengthening the bond between parish, school and family. **There will be prayer cards with a child's name on at the back of church from Sunday 12th July.** Please take one and then start your prayers for a smooth and positive

transition into school life. What a wonderful gift it is to know that every new child in our school community is being held in prayer by the people of our parish. "Let the little children come to me..." (Mark 10:14)
