

Remote Learning Policy

- Amendments to Policy: September 2025
- Policy Effective from: September 2024
- Policy Review: September 2026
- Full Governing Board

At Woodcocks' Well CE Primary School our primary aim is the safety and well-being of our staff and pupils. We recognise that a school closure will impact differently on all of us and we acknowledge that children and families will face a variety of situations and challenges. With this in mind we take all steps possible to keep school open, but have robust contingency plans should school ever need to close.

The aim of the Remote Learning Policy is to set clear guidelines in case of a school closure.

Teaching and Learning:

Our aim is to keep our core purpose of teaching and learning continuing as effectively as possible. In addition to the core subjects of English, Maths, and a daily topic lesson, the curriculum will include regular opportunities for physical activity, creative arts, and PSHE/RSHE to support holistic development. These will be planned in line with the normal curriculum to ensure breadth and balance.

For children with special educational needs (SEN) we realise this will have an impact on how Education Health and Care Plans are delivered. Individual Education Health and Care Plans (EHCPs) will be reviewed to identify specific remote learning adaptations. The SENDCo will liaise regularly with families and staff to tailor support, including providing additional resources, differentiated tasks, and where appropriate, live or recorded specialist input.

We do recognise that health and wellbeing are paramount and we appreciate that the level of work that might be undertaken by a child will reflect the situation and circumstances at home.

Woodcocks Well CE (VA) Primary School will use Google Classroom/Email to deliver home-learning tasks.

Staff will:

- Provide daily English lessons
- Provide daily Maths lessons
- Provide a daily topic lesson
- Comment on 'submitted' work within 24hrs
- Respond to comments within 24hrs
