Dear Parents,

Year 4- Home/School Spellings and Times tables focus- Autumn 1

Below are our home spellings and multiplications for this half term, each week has a specific focus. **Spelling and times table tests will be on a Friday**, the children will record the results of their tests in their spelling and multiplication books which will come home each Friday but must be returned the following Friday. Some children will also have a phonics intervention to consolidate prior learning and fill in any gaps (you will be notified if this is the case for your child).

You can find copies of these spellings and multiplication information on our class webpage.
