Half Term 4 2026

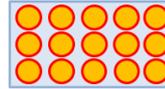

English

This Term we will be reading about some discarded Victorian toys and the changes they would have witnessed. We will be writing a recount from the toys' point of view- and learning about possessive Apostrophes too.

Mathematics

We will be learning about :

What is $15 \div 5$?

Multiplication and Division

- 2, 5, 10 x table
- Related Division Facts

Measure

- Length (continued)
- Mass

Homework

Spelling tests will be each Thursday and we will be starting x-tables tests later this term.

Read with your child at least 3 times per week

and Reading Record to be signed please both in the book and the 'Dory Chart.' This is essential if your child wants to achieve a 'St.Peter's Award.'

Science

This term we will be studying and observing habitats and micro-habitats. We will learn about food chains and the terms predator and prey. We will increase our knowledge of common flowers and trees too.

Other Subjects

R.E.— Easter signs and symbols

P.E.—Thursdays (Please wear kits)

Computing— Word processing

D&T— Designing and Making ferris wheels

PSHCE— Healthy Me.

This term, the theme for Show & Tell is

'A Special Place.'

Children are welcome to tell us about a family outing to a museum, art gallery or historic place they have visited as evidence towards their St. Peter's Bronze award. Time dictates that only one show & tell per child can be accommodated this term. It will be each Thursday.

History

During this term, the children will learn about famous explorers!

Independence

We are trying to increase children's independence and responsibility for themselves as they complete their final year in Key Stage 1. Children are reminded of the systems for homework, letters, water bottles, reading books, etc. Please note we won't be checking folders on a daily basis in year 2.
