

What do you know about the different countries of the British Isles?
Where have you visited and what did you do or see?

Read the information sheets about the different countries.

Option 1

Create a poster about the wildlife in one or more of the countries of the British Isles using the information in the resource sheets or other facts from your own research. Embellish your poster with relevant images to relate to your chosen country.

Option 2

Imagine that you are sending a postcard from the British Isles to someone who lives somewhere else in the world. What would you include in your postcard?
