Mr Brooks' Top Moments

1. This week, the children from the Shine Suite represented our school with great enthusiasm and determination in a curling competition. They worked brilliantly as a team and showed fantastic sportsmanship throughout. We are delighted to share that they came third, and we are extremely proud of everything they achieved. Well done to each of them for representing the school so admirably.
2. Last year, Mrs Travis retired from our school after many years of dedicated service. Over that time, she gave so much to our children, staff and wider school community, and her kindness, commitment and care have left a lasting impact on us all. Today, we had the pleasure of welcoming Mrs Travis back into school, where we dedicated our Celebration of the Word to her as a special way of saying thank you for all she has done. It was a lovely opportunity to show our appreciation and to recognise the wonderful contribution she made to our school.
3. This week, we welcomed a consultant from the Read Write Inc team into school. She commented on the high quality of provision we provide and how fortunate our children are to have such dedicated teachers.
