Importance of Punctuality at school

Dear Parents and Carers,

We are writing to highlight the importance of punctuality and the positive impact it has on your child's education and well-being. Arriving at school on time ensures that children are settled, prepared and ready to begin learning alongside their peers.

When pupils arrive late they can miss important instructions, feel unsettled and may find it more difficult to engage in lessons. Repeated lateness can also disrupt the learning of others and affect overall progress.

Our school day begins promptly at 9.00a.m. and we kindly ask all pupils arrive in good time so they can enter calmly and start the day positively. Establishing a consistent morning routine at home can make a significant difference in supporting punctual attendance

If you are experiencing any difficulties that may be affecting your child's punctuality, please do not hesitate to contact us. We are here to support you and work together to ensure the best outcomes for every pupil.

Thank you for your continued cooperation and support.

Yours sincerely,

St. Paul's Staff
