**4. Virtual school head:**

- Virtual School Head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. - Have overall responsibility for leading the process of target-setting in PEPs

- During the development and review of PEPs, help the school and relevant local authority decide what arrangements work best for pupils

#### **9. Ensuring that:**

- A looked-after child's PEP is reviewed before the statutory review of their care plan this includes making sure the PEP is up to date and contains any new information since the last PEP review, including whether agreed provision is being delivered
- PEPs are clear about what has or has not been taken forward, noting what resources may be required to further support the child and from where these may be sourced
- The updated PEP is passed to the child's social worker and VSH ahead of the statutory review of their care plan

- Transfer a looked-after child's PEP to their next school or college, making sure it is up to date and that the local authority responsible for looking after them has the most recent version 6.3 Supporting both looked-after children and previously looked-after children The designated teacher will:

- Ensure the specific needs of looked-after and previously looked-after children are understood by staff and reflected in how the school uses pupil premium plus funding

- Help raise the awareness of parents and guardians of previously looked-after children about pupil premium plus funding and other support for these children, including encouraging parents to tell the school if their child is eligible to attract pupil premium plus funding

- Encourage parents' and guardians' involvement in deciding how pupil premium plus funding is used to support their child, and be the main contact for queries about its use

- Ensure teachers have awareness and understanding of the specific needs of looked-after and previously looked-after children in areas such as attendance, homework, behaviour and future career planning

- Be aware of the special educational needs (SEN) of looked-after and previously looked-after children, and make sure other staff also have awareness and understanding of this

- Ensure the SEND code of practice, as it relates to looked-after children, is followed

- Make sure PEPs work in harmony with any education, health, and care (EHC) plans that a looked after child may have

Ensure that, with the help of VSHs, they have the skills to identify signs of potential SEN issues in looked-after and previously looked-after children, and know how to access further assessment and support where necessary

- Ensure that they and other staff can identify signs of potential mental health issues in looked-after and previously looked-after children and how these can impact on the children and their ability to engage in learning, and understand where the school can draw on specialist services

- Put in place robust arrangements to have strengths and difficulties questionnaires (SDQs) completed for looked-after children, and use the results of these SDQs to inform PEPs

- Work with senior leaders and other relevant staff to put in place mechanisms for understanding the emotional and behavioural needs of previously looked-after children

#### **10. Relationships beyond the school:**

The designated teacher will:

- Proactively engage with social workers and other professionals to enable the school to respond effectively to the needs of looked-after and previously looked-after children
- Discuss with social workers how the school should engage with birth parents, and ensure the school is clear about who has parental responsibility and what information can be shared with whom
- Be open and accessible to parents and guardians of previously looked-after children and encourage them to be actively involved in their children's education
- Proactively build relationships with local authority professionals, such as VSHs and SEN departments
- Consider how the school works with others outside of the school to maximise the stability of education for looked-after children, such as:
  - Finding ways of making sure the latest information about educational progress is available to contribute to the statutory review of care plans
  - Ensuring mechanisms are in place to inform VSHs when looked-after children are absent without authorisation and work with the responsible authority to take appropriate safeguarding action
  - Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption
  - Making sure that, if a looked-after child moves school, their new designated teacher receives any information needed to help the transition process
  - Seek advice from VSHs about meeting the needs of individual previously looked-after children, but only with the agreement of their parents or guardians

Make sure that for each looked-after child:

- There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress
- School policies are communicated to their carer and social worker and, where appropriate, birth parents

- Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips
- Where a looked-after child is at risk of exclusion:
  - Contact the VSH as soon as possible so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary
  - Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour
  - Where a previously looked-after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the VSH on avoiding exclusion

## **11 Role of the Local Governing Body:**

The Local Governing Body will be aware of how many children are looked after and have an oversight of their performance. This will be achieved through reports to Governors in meetings and the support/challenge which they provide.
