## Spring 2024

## Year 4

Spring Term

Welcome back, Year 4!

I hope you all had a lovely break and wish you a very Happy New Year!

As you are aware, all Year 4 children will participate in a statutory Multiplication tables check in June 2024. The computerised test will randomly select 25 questions on the times tables from 1—12. It would be great if you could practice at home, especially any that your child does not know off-by-heart yet. Your child can use this website: <https://www.timestables.co.uk/multiplication-tables-check/> and TTRS to help prepare for the check.

Please continue to read with children at home. Children can always swap their books when they come into school each morning. Enjoy texts of lots of different types and challenge yourselves with the difficulty—aim for 85% of the words to be read easily and fluently—15% of the words should be new or more challenging.

### Our class topic this half term is :

This term, we will be studying the book 'The Lost Happy Endings', which is a fantastic novel that twists familiar fairytales. Children will be writing their own twisted narrative and will have the opportunity to explore other text types too.

In History, we will be studying the Roman withdrawal from Britain and the subsequent Anglo-Saxon invasions, settlements and kingdoms.

### Dojo

Remember to keep in touch by using the Class Dojo app—you can message staff as well as see photographs and videos of your child and their classmates on our Class Story.

Stay connected!
