

Key Instant Recall Facts

EYFS – Summer 2

I can partition numbers to 10, into two groups.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts **instantly**.

10 is made of 8 and 2

10 is made of 2 and 8

10 is made of 1 and 9

Or

0 and 10 make 10

3 and 7 make 10

7 and 3 make 10

etc

Key Vocabulary

_____ and _____ make

10 is made of _____ and

Whole

Parts

Top Tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use practical resources –

- Making up stories with items around the home, e.g. there are 2 cars in the car park and 8 more cars arrive, how many cars altogether? Count on from the 2 to find the answer.
- Asking questions during daily routines, e.g. you have 8 chips on your plate and I steal 2, how many are left? Count back from 8 to find the answer.
- A number track (like the one in the picture) is very useful to practise counting on and back.
