Top Tips

The secret to success is practising little and often. Use time wisely.

Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day. Just ask a few '*what is 1 more than X?*' and '*what is 1 less than X?*' questions each day would really help your child.

If you would like more ideas, please speak to your child's teacher.

Use practical resources –

Your child has ten pieces of carrot on their plate. What would one more / one less be?
