

KNUTSFORD
JUNIOR NETBALL CLUB

COACHES WANTED.

We're launching a brand-new Year 5 session and we need volunteers to help lead it. No experience of coaching required — just a love of the game and a bit of enthusiasm.

FOR PARENTS OF YEAR 5 PUPILS

WHAT WE'LL GIVE YOU

- 1 **An experienced coach by your side** for your first six weeks, so you're never thrown in at the deep end.
- 2 **Ready-made session plans** — the coaching resources are done for you, week by week.
- 3 **Funded qualifications** if you'd like to take your coaching further — the club covers the cost.

WHAT WE'RE ASKING FOR

Some knowledge of netball helps, but you don't need to have played to any particular standard.

A **positive, enthusiastic outlook** is the one thing we really can't do without — the girls and boys will take their lead from you.
