Springs Dance Company came into school to deliver a Creation dance workshops with the children in KS1. It was a lovely way for the children to retell the Creation Story – making links to 'To know You more clearly' Branch 1 Creation and Covenant and also CST and God's wonderful creation linking to Laudato Si and St Francis of Assisi.

We will be inviting CAFOD back to school to talk about Catholic Social Teaching. The volunteers last came in to talk about Pilgrims of Hope in Summer Term 2025 – it was lovely to have them share information with the children.

Jubilee for St Francis

We had a special week in July to celebrate – and we will continue to make links to caring for our common home and the people who share it.

Further activities to celebrate this special jubilee will be planned for the rest of the year.

Oscar Romero Award

We are now registered to take part in the Oscar Romero Award – supporting the ongoing high focus on CST that we have at school.

We have already made use of some of the resources for St Francis during our special focused week.
