Getting Your Child to School Really Matters

Did You Know... ?

In a School Year, If Your Child is Late Every Day By...

Your Child Would Have Lost Approximately...

or They Would Have Missed Approximately...

5 Minutes	3.5 Days from School	20 Lessons
10 Minutes	7 Days from School	41 Lessons
15 Minutes	10 Days from School	55 Lessons
20 Minutes	14.5 Days from School	82 Lessons
30 Minutes	22 Days from School	123 Lessons

Please Encourage Punctuality to Maintain Attendance

1. Start early

Don't wait until the night before school starts to implement new routines. Ease your child back into their routine by adjusting sleep schedules and daily activities at least a week in advance. This gradual approach can make the transition feel less abrupt and more manageable for everyone involved.

2. Establish a consistent bedtime routine

A good night's sleep can make all the difference when it comes to learning and overall wellbeing.

3. Create a morning routine for kids

A well-structured morning routine can set a positive tone for the entire school day.

4. Prepare the night before

Children and parents can reduce morning stress by preparing as much as possible the night before

5. Use visual aids

Create charts or checklists for morning and evening routines. This can help younger children stay on track and give older kids a sense of accomplishment as they complete tasks. Consistently using these aids can help reinforce the routine

6. Gradually adjust screen time

If the summer holidays meant more relaxed rules around screen time, start adjusting limits well before school starts. Set specific times for screen use and stick to them. This can help ease the transition and reduce conflicts once children are back at school.

7. Practice healthy evening habits

Sleep is the foundation for successful learning. It's not just about physical rest; it's about having time to recharge mentally, too. When children get a good night's sleep, their brains are gearing up for optimal cognitive function and emotional regulation during the school day.

8. Be flexible and patient

Every child is different, and what works for one may not work for another. Be prepared to adjust your back-to-school routines as needed, and involve your child in the process. This can help them feel more in control and more likely to cooperate with the established routines.

Remember, getting back into a school routine is a process that may take time. Be patient with yourself and your children as you all adjust to the new schedule.

The Attendance Alligator

The school day starts at 8:30am.

Each time your child is absent or late for school they miss a vital block of learning. Each year their new learning blocks build upon the last year's blocks.

Being absent from school = learning gaps and lower attainment.

BE SNAPPY! BE ON TIME!

The poster features a green alligator on the left and a stack of colorful blocks on the right. A rainbow logo for "Darnhall Nursery & Primary School" is in the top right corner.

Where can you see maths in the world around you?

Maths is all around us - not just in school! It's in the patterns we see when we are out on a walk, the equal parts when we're sharing our favourite treats and even in some of our stories too!

Take a photo showing us the maths you have found and send your photos on Class Dojo by **Friday 7th November** for a chance to win!

Anti-bullying Week

10th-14th November 2025

Odd Socks Day marks the start of Anti-Bullying Week. In 2025 it will take place on Monday 10th November.

Children will take part in various activities throughout the week.

Support our School!

It's as easy as...

- ① **Join our lottery**
- ② **Boost school funds**
- ③ **Win cash prizes**

Tickets cost just £1 a week and are an easy way to help us raise funds for school. There are local cash prizes every week and there's even a chance to win the £25k Jackpot.

To start supporting, visit:
